Suggestions

Future fin system is our suggested fin system.

4oz Bottom and 4+4oz Top is suggested for short boards for lightness.

6oz Bottom and 6+6oz Top is suggested for Longboards for strength.

5oz Bottom and 5+5oz Top is suggested for all boards where more strength is desired without too much weight.

Boards can be made lighter (weaker) or heavier (stronger) with different configurations.

Sanded finish is standard on Shortboards (matte) and Gloss and Polish finish (shiny) is standard for longboards
